Part – V: Programme Project Report (PPR) and Self-Learning Material (SLM)

5.1 Compliance status of 'Guidelines on Programme Project Report' – As per Annexure - V of UGC (ODL Programmes and Online Programmes) Regulations, 2020

HEI shall mention the process followed to ensure that PPRs are prepared as per the guidelines mentioned in the Regulations. The explicit details of approval by its Statutory Authorities shall also be mentioned.

All the programs that are offered through ANU-CDE have a well designed program project report (PPR). The PPR for each program is documented as per Annexure – V of UGC Regulations, 2020. Each PPR is designed in such a manner that it has specific program mission specific goals and objectives which suite the need of the current learners. They also explain the mission and goal of our university and program. It has prescribed outcomes and target learners.

PPR is framed to describe about the relevance of the program and what kind of skills can be acquired by pursuing the program. Every report describes the nature of perspective target group of learners and skills that can be acquired after completion of the program.

Every PPR has curriculum designed which is framed to suit the needs of the learners. The curriculum is designed by the program advisor and subject experts, duly approved in the CIQA, Board of Studies, Advisory Committee and Academic Senate. The curriculum is designed in a systematic matter which gives a detailed information regarding the syllabus, duration of the program, internal and external marks, credits, projects, assignments and list of suggestive readings and references etc. The curriculum is designed semester wise for all the programs at UG and PG level.

Each report mentions the duration of the program both maximum and minimum time period to complete the program. Further re-registration facility rules are mentioned for those learners who can not complete the program in stipulated time. The eligible learners for the program is also mentioned in the PPR. Eligibility criteria as per the UGC norms are clearerly stated. The outcomes of the program is also explained to benefit the learners.

PPR is acknowledgement of approximate cost estimates in development of the program right from framing the syllabus to developing the content, printing the SLM and distributing the same to the learners. All the reports include procedure for admissions, examination rules, re-registration, evaluation system, cost estimates for a program and quality assurance.

ANUCDE follows UGC- DEB Regulations 2020 in the preparation of PPR(s). The PPRs of various programs have been planned in a clear manner so as to deliberate the knowledge to the students in a perfect manner.

5.2 Compliance status of 'Quality Assurance Guidelines of Learning Material In Multiple Media And Curriculum And Pedagogy' – As per Annexure - VI of UGC (ODL Programmes and Online Programmes) Regulations, 2020

HEI shall mention compliance details against the requirements in terms of learning material (Print Media), Audio-Video Material, Online Material, Computer-based material and Curriculum and Pedagogy, as mentioned in the Annexure-VI of the Regulations for ODL programmes.

ANU-CDE has a well-established mechanism in the development of Self Learning Materials (SLMs), adhering to UGC-DEB guidelines. ANU-CDE follows the Learning Outcome based Curriculum Framework (LOCF) for the development of SLMs. SLM is prepared ensuring the quality of learning material for the distance learners. The curriculum and pedagogy are framed on UGC standards. Each course syllabus is framed as per LOCF and contains units which are divided into lessons. The prepared SLM is self-explanatory, self-contained, self-directed, self-motivating and self-evaluating. The SLM is developed by the teachers keeping in view – learning objectives, examples and illustrations, Technical Terms, self-assessment, summary, key points, suggested readings etc. SLM in pdf format is provided in the website for use of all the learners. ANU-CDE ensures that the quality standards mentioned by UGC-DEB in the development of learning materials, curriculum and pedagogy are followed.

5.3 Compliance status in respect of Self-Learning Material– As per Annexure - VII of UGC (ODL Programmes and Online Programmes) Regulations, 2020

HEI shall mention the process followed to ensure that SLMs are prepared as per the guidelines mentioned in the Regulations. The explicit details of approval by its Statutory Authorities shall also be mentioned.

Centre for Distance Education (CDE) has prepared Self Learning Material (SLM) for the approved programs by DEB. A committee consisting of senior faculty members of various disciplines has been constituted to frame the curriculum and syllabus taking into account the University Grants Commission Model Curriculum and the Learning Outcome- based Curriculum Framework (LOCF) and is approved by CIQA of CDE. The curriculum is prepared in view of the national competency requirements and SLM thus developed is useful for preparation of NET/SLET examinations for the learners. In the course there is credit value for each unit. As the learners of ODL are mainly working / professionals / housewives etc., who do not get time to study in face-to-face mode, so the programs available in ODL mode are learner centric and on par with the conventional mode. CDE has farmed guidelines for the lesson developers, which are followed strictly. SLMs are developed by the local resource persons comprising faculty members from different colleges of the university and affiliated colleges.

SLM is prepared ensuring the quality of learning material for the distance learners. Each course syllabus contains units which are divided into lessons. The course material shall provide an environment for practice, at the learner's own pace and in his/her own time. The prepared SLM is self-explanatory, self-contained, self-directed, self-motivating and self-evaluating. The SLM is developed by the teachers keeping in view – learning objectives, examples and illustrations, Technical Terms, self assessment, summary, key points, suggested readings etc. While preparing the material, technology is used to match the course content to enhance expanding learning and needs of the learners with cost effective to the learners. ODL provides e-content in the website for use of all the learners.

The development of SLM is undertaken systematically in various phases as mentioned below:

1. Core BoS meeting is conducted with the members (The members include chairperson, convener, Deans of all faculties, selected Executive members, Director of DDE of other universities, Chairpersons of PG & UG of concerned subjects and Industrialists) to discuss about the plan of action for the preparation of SLM in various programs approved by UGC-DEB.
2. Academic Advisors of the respective subjects identify the names of Editors, Lesson Writers in every program(s) and course (s) and submit the same to the Director, CDE.
3. The list of identified SLM Editors & writers program wise and course wise are approved by the Authorities and Proceedings are issued to the approved SLM Editors & writers along with guidelines to be followed inorder to prepare the SLM.
4. A meeting of the identified Eidtor and lesson writers program wise and course wise is held to discuss the course of action for the preparation of SLM as per the guidelines of UGC-DEB, which are also mentioned in the ANUCDE, SLM manual.
5. After the preparation of the content course wise by the lesson writers, the Editor of concern course with a declaration would submit the material to the concerned section (UG/PG) after duly checking, editing, and proof reading of the whole contents of SLM.
6. After two proof readings the finalized SLM is sent for printing.
7. Revision of SLM is exercised whenever necessary with the permission of statutory bodies.
